- Please ask your guests to arrive on time. Latecomers (and children!) are disruptive.
- You may want to offer plain bread (such as baguette) during the tasting, but please, no food..
Advise your guest they won't be eating until 2+ hours after they arrive, so eat something beforehand. Often hosts offer appetizers/nibbles and drinks (sparkling wine/wine/beer) for half hour before we start.
- After the tasting you may want to provide more food or serve dinner. Many do pot luck.
- Billy and Kato will arrive about 30 minutes before the starting time and leave shortly after the tasting.
- Ask your guests to come by taxi, public transit or have a designated driver. Don't drink and drive.
